

**Experience the rainforest, waterfalls & wildlife.**

The first stop will be at a hidden gem, the magnificent Llanos Del Cortez Waterfall, surrounded by a sandy, gold-speckled beach and lush rainforest, where you can swim and relax.

After this we will drive for 45 minutes to enjoy a typical lunch with a beautiful view of the Miravalles Volcano. Then, located on the slopes of the Tenorio Volcano, we will enjoy a nature walk with a local expert guide. Here you'll see two-toed and three-toed sloths, monkeys, reptiles, birds of paradise, frogs, butterflies and so much more!

This is an excellent opportunity for observing birds, butterflies, frogs, monkeys, orchids, and become immersed in the splendour of the tropical rainforest.
